

Tired of Having Difficulty Understanding Conversation?

Sometimes you need more than hearing aids!

Rehabilitation Course: Managing Your Hearing Loss

Baycrest offers a course for adults and their family members on how to manage and deal with hearing loss. The course is directed by a Baycrest Audiologist. We highly recommend that you take this course before the first month of hearing aid use.

Some of the topics covered include:

- How the ear works
- What causes hearing loss
- Understanding hearing test results
- Hearing aids and assistive devices
- Emotional reactions to hearing loss
- Strategies to improve your hearing and communication

Cost:

If you purchase your hearing aids from Baycrest, there is no charge for you and your spouse/family member. In addition, you'll receive FREE batteries if you attend all 4 classes.

If you purchased your hearing aid elsewhere, the charge for the 4 sessions is \$40.00
