Monday, September 25 2:00pm

Service Information:

How to register:

Patients and residents can express interest to attend in-person services by speaking with the Recreation staff on the floor. Due to limited seating capacity at our various services, we must limit the number of family members and/or caregivers to one guest per resident. New this year, no ticket fee will be required but registration will be necessary. Please register for services by contacting the Recreation staff. In order to support as many residents as possible, residents may not be able to attend services on both days. Please note that staff will do their best to be equitable for all service offerings. For those individuals unable to attend in person, virtual services will be available on TVs and Channel 988. To access the virtual services, please speak to a Therapeutic Recreation staff on the floor.
